

Community Conversation

Passport's Health and Well-Being Campus and the Republic Bank Foundation YMCA

You're invited to a neighborhood meeting to discuss the progress of the new YMCA and the Passport Health Plan campus in West Louisville. Together, these projects create a health and well-being destination that brings community resources together at 18th and Broadway. We'll review feedback from the June 1st neighborhood meeting, share how this input has shaped the projects, and continue gathering your input. Please join us!

Tuesday, November 28, 2017, 5:30-7:30 pm
